## Your Future Market

They outnumber the Boomers and are determined to change the world. They made an impact on education and politics. Now they are shaking things up in food, spirits, wine and dining out. Soon they will be moving into their prime earning years, buying homes, starting families and purchasing insurance.

Is your brand ready?

## To Engage Millennials, Be Meaningful, Quick, and Shiny!

Millennials are different. They communicate differently, distrust marketing, rely on their peers, and love brands that help them express themselves uniquely. All media is social and mobility is an expectation. They care just as much about what a brand stands for and how it lives its values as what it does to help them.

**ABOUT**

This is the tumblr of John Green, the #1 New York Times bestselling author of *The Fault in Our Stars*, *Looking for Alaska*, *An Abundance of Katherines*, *Paper Towns*, and half of *Will Grayson, Will Grayson*. I am also the co-creator of the [vlogbrothers](#) youtube channel.

I am best known on tumblr for a drizzle/hurricane metaphor. You can ask me questions only if you agree not to get mad if I don't answer.
